If you are exposed to blood, body fluid or other potentially infectious material, do the following:
1. Clean the site.
2. Complete the Blood/Body Fluid Exposure Report as soon as possible.
3. Go to the nearest SEICTF Gatekeeper or hospital (outside normal business hours) for immediate treatment.

Medical Providers: Contact SEICTF at 800-388-3406, Ext. 114 for precertification on all inpatient services, certain outpatient diagnostic procedures and surgeries, and rehabilitative services. For other questions, call Provider Relations at 800-388-3406, Ext. 284.

STATE EMPLOYEE INJURY COMPENSATION TRUST FUND

1. Report the work-related injury to your supervisor to complete a First Report of Injury.
2. For emergent treatment, go to the nearest hospital.
3. If it is NOT an emergency, your supervisor will direct you to the Network Physician (Gatekeeper). If your supervisor is unavailable, contact Provider Relations at 800-388-3406, Ext. 284.
4. Contact SEICTF if you are asked to pay co-pays/deductibles.

Medical Providers: Contact SEICTF at 800-388-3406, Ext. 114 for precertification on all inpatient services, certain outpatient diagnostic procedures and surgeries, and rehabilitative services. For other questions, call Provider Relations at 800-388-3406, Ext. 284.
