Endorsement #6

BASIS OF LOSS SETTLEMENT

A. In consideration of the premium charged, all losses are to be adjusted on the basis of replacement cost less depreciation for age, usage, and/or betterment at the time of loss.

The most the SIF will pay for loss or damage to covered property, in any one occurrence, at any one location, will be the least of the following:

The actual adjusted amount of loss covered by this policy, less applicable deductible(s)

or

115% of the reported values for each scheduled building and its contents, covered by this policy, less applicable deductible(s)

Settlement shall not exceed the amount which it would cost to repair or replace the property with material of like kind and quality within a reasonable time after such loss. In the instance where more than one like structure is insured under a single item number, it is understood and agreed that the total amount of coverage for that item number is divided equally between the multiple like structures.

There will be no allowance for any increased cost or repair or construction by reason of any ordinance or law regulating construction or repair. There will be no compensation for loss resulting from interruption of business or manufacture. In any event, settlement shall not exceed the interest of the insured or the scheduled amount of insurance per building.

B. All references to replacement costs are deleted.

Endorsement #7

**SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION EXCLUSION;
DEBRIS REMOVAL AND COST OF CLEAN UP EXTENSION;
AUTHORITIES EXCLUSION
SEEPAGE AND/OR POLLUTION AND/OR CONTAMINATION EXCLUSION**

Notwithstanding any provision in the Policy to which this Endorsement is attached, this Policy does not insure against loss, damage, costs or expenses in connection with any kind or description of seepage and/or pollution and/or contamination, direct or indirect, arising from any cause whatsoever. NEVERTHELESS, if fire is not excluded from this Policy and a fire arises directly or indirectly from seepage and/or pollution and/or contamination, any loss or damage insured under this Policy arising directly from that fire shall (subject to the terms, conditions and limitations of the Policy) be covered.

However, if the insured property is the subject of direct physical loss or damage for which Underwriters have paid or agreed to pay, then this Policy (subject to its terms, conditions and limitations) insures against direct physical loss or damage to the property insured hereunder caused by resulting seepage and/or pollution and/or contamination.

The insured shall give notice to the Underwriters of intent to claim NO LATER THAN 12 MONTHS AFTER THE DATE OF THE ORIGINAL PHYSICAL LOSS OR DAMAGE.

DEBRIS REMOVAL AND COST OF CLEAN UP EXTENSION

Notwithstanding the provisions of the preceding exclusion in this Endorsement or any provision respecting seepage and/or pollution and/or contamination, and/or debris removal and/or cost of clean up in the Policy to which this Endorsement is attached, in the event of direct physical loss or damage to the property insured hereunder, this Policy (subject otherwise to its terms, conditions and limitations, including but not limited to any applicable deductible) also insures, within the sum insured:

A. Expenses reasonably incurred in removal of debris of the property insured hereunder destroyed or damaged from the premises of the insured; and/or

B. Cost of clean up, at the premises of the insured, made necessary as a result of such direct physical loss or damage; PROVIDED that this Policy does not insure against the costs of decontamination or removal of water, soil or any other substance on or under such premises.

It is a condition precedent to recovery under this extension that Underwriters shall have paid or agreed to pay for direct physical loss or damage to the property insured hereunder unless such payment is precluded solely by the operation of any deductible and that the insured shall give notice to the Underwriters of intent to claim for cost of removal of debris or cost of clean up NO LATER THAN 12 MONTHS AFTER THE DATE OF SUCH PHYSICAL LOSS OR DAMAGE.

Endorsement #7

AUTHORITIES EXCLUSION

Notwithstanding any of the preceding provisions of this Endorsement, except in respect of certain specific coverage(s) provided elsewhere in the Policy to which this Endorsement is attached, this Policy does not insure against loss, damage, costs, expenses, fines or penalties incurred or sustained by or imposed on the Assured at the order of any Government Agency, Court or other Authority arising from any cause whatsoever.

Nothing in this Endorsement shall override any radioactive contamination exclusion clause in the Policy to which this Endorsement is attached.

WHAT THIS AGREEMENT COVERS

SIF will protect covered property against risks of direct physical loss unless excluded in the Exclusion-Losses We Will Not Cover section. SIF will also cover Extra Expense and Business Income when indicated in the Coverage Summary.

When we use the word “loss” in this agreement we also mean damage.

Limits of Coverage

The limits that apply to computer equipment, data and media, extra expense coverage and business income coverage are shown in the Coverage Summary. These limits are the most we will pay under these coverages no matter how many protected persons are involved or how many claims are made involving one event. Separate limits are shown for each location and each type of coverage.

Items in transit are covered up to the transit limit shown in the Coverage Summary. This limit also applies to newly acquired equipment being moved to a covered location as well as covered property being moved to a new location. If no transit limit is shown, there is no coverage while items are in transit.

There are two limits that apply to the business income coverage. The “each working day limit” is the most we will pay per 24-hour day, when you would normally conduct business. The “total limit” is the total we will pay for each interruption at any one location. If no business income limit is shown, there is no business income coverage.

Where Coverage Applies

SIF will cover losses that occur at the locations shown in the Coverage Summary, or while in transit within the United States of America, Puerto Rico or Canada, or between any of these places.

Property Covered

The description of covered property and limit of coverage are shown in the Coverage Summary. In this section we explain what is included under the listed coverages.

Computer Equipment. SIF will cover computer equipment you own, rent or for which you are legally responsible.

Computer Equipment means a network of machine components capable of accepting information, processing it according to plan and producing the desired results. It includes air conditioning, fire protection equipment and electrical equipment used exclusively in your computer operations. However, it does not include data and media.

Data And Media. SIF will cover data and media you own or for which you are legally responsible.

Data means facts, concepts or instructions in a form usable for communications, interpretation or processing by automatic means. It includes computer programs.

Media means materials on which data is recorded, such as magnetic tapes or disk packs.

Coverage For Checks. If you are a financial institution, we will cover the replacement of the following items as data when they are in the form indicated:

- A. Checks that are cashed or deposited. Coverage begins when their face value has been encoded on them.
- B. Other documents. Coverage begins when the code numbers that apply have been encoded on them.

Property Not Covered

We will not cover the following property:

- A. Data or media which cannot be replaced with others of the same kind or quality, unless insured for a specific amount per article;
- B. Program supportive documentation such as flow charts, record formats or narrative descriptions except as they are converted to data form and then only in that form;
- C. Accounts, bill, valuable papers;
- D. Records, abstracts, deeds, manuscripts; or
- E. Other documents except as they are converted to data form and then only in that form.

Extra Expense

SIF will cover extra expense necessary to continue your computer operations.

Extra expense is any operating expense over and above what it would normally cost to conduct your computer operations.

SIF will pay for actual loss up to the limit of coverage when the following conditions are met:

- A. The expense is necessary to continue your normal computer operations.
- B. The expense results from direct damage to any of the following:

Endorsement #9

1. Your computer equipment, data and media; or

2. The building housing your computer operations or other property in the building or within 1,000 feet of it, if the damage prevents you from using your computer facilities.

Business Income

SIF will cover loss of business income resulting from the interruption of your computer operation caused by damage to or destruction of any of the following:

- A. Your computer equipment, data, media, or
- B. The building housing your computer operations or other property in the building or within 1,000 feet of it, if the damage prevents you from using your computer facilities.

Business income means the net income, which is the net profit or loss before income taxes, that would have been earned or incurred and continuing normal operating expenses that are incurred. This includes payroll. Business income includes the net income attributable to prototypes, project research and development documentation.

Prototype means the first or original model of a new type of design.

Project research and development documentation means written, printed, or otherwise inscribed documents, plans, and/or records directly associated with your research and development operations.

ADDITIONAL BENEFITS

All the following benefits are in addition to the limits of coverage shown on the Coverage Summary.

Newly Acquired Equipment

SIF will cover additional computer equipment you acquire while this agreement is in effect.

SIF will increase your computer equipment coverage limit up to an additional **\$500,000** to cover newly acquired equipment at any location shown on the Coverage Summary.

You must report the additional value of all newly acquired equipment to us within 60 days of acquiring it or the additional limit ends at that time. An additional premium will be due from the day the equipment was acquired. While newly acquired equipment is in transit, the transit limit applies.

If equipment, data or media we cover at a location in the Coverage Summary is moved to a new location, SIF will automatically cover these items at your new location.

SIF will cover newly acquired equipment, data and media up to a combined limit of **\$500,000** at any newly acquired location not shown in the Coverage Summary.

You must report the moving of Insured property or the acquisition of any new location within 60 days of moving or acquiring as your coverage at the new location will end at that time.

While equipment, data or media is in transit to a new location, the transit limit applies.

Backup Location Coverage

SIF will cover your data and media up to **\$50,000** at any one backup location. If you need a higher limit, it must be specifically shown on the Coverage Summary for each location.

To qualify for this additional coverage, each backup location must be in a separate building at least 100 feet away from your main computer operation.

Temporary Location

SIF will cover your computer equipment, data and media for up to **\$500,000** for direct physical loss while temporarily within the premises of others for purposes other than storage.

This coverage extension is provided for a maximum of 60 days while at any temporary location.

Halon and Carbon Dioxide Discharge

SIF will pay the cost to refill halon or carbon dioxide extinguishing systems which protect your computer operations when they discharge as intended to control a loss covered by this agreement.

In addition, SIF will cover the cost to refill these systems should they accidentally discharge.

SIF will not cover any loss that happens at the time of installation, testing, repair or recharging of the halon or carbon dioxide system.

Endorsement #9

Removal Coverage

SIF will cover your computer equipment, data, media and computer programs while they are away from a covered location at a safe place because of imminent danger of loss. SIF will also cover those items while they are being moved to and from the safe place. The separate transit limit does not apply. However, you must tell us within ten (10) days after you move this equipment for this coverage to apply.

Debris Removal

If your equipment, data or media is damaged or destroyed by a covered cause of loss, we will pay the cost of removing its debris.

Interruption by a Civil Authority

A civil authority such as a fire department may delay access to your covered location because property adjacent to your location is damaged or destroyed. If the damage is caused by a covered cause of loss and we insure Extra Expense or Business Income, SIF will pay your necessary expense or business income for up to two (2) consecutive weeks while access is denied.

Burglary

SIF will cover loss caused by burglary only if the building where the loss occurs is locked and there is physical evidence of forced entry on the exterior of the building.

BREAKDOWN COVERAGE

SIF will cover insured property for loss caused by mechanical or electrical breakdown. If you insure business income, SIF will also cover such loss when caused by breakdown damage to computer equipment, data or media from these causes. However, SIF will not cover extra expense or business income losses that result from the breakdown of any other property such as a boiler.

A special breakdown deductible applies to mechanical and electrical breakdown as well as certain other causes of loss. This deductible is shown on the Endorsement #9 and is described in the Deductible section of this form.

Mechanical Breakdown. SIF will cover loss or damage to your covered computer equipment, data and media inside your building or within 1,000 feet of it caused by mechanical breakdown or malfunction of your computer equipment.

An example of a covered mechanical breakdown would be a head crash.

Electrical Breakdown. SIF will cover short-circuit, blow-out, electrical or magnetic injury or disturbance or other electrical damage to:

- A. Covered computer equipment, including wiring.
- B. Covered data and media.

This includes any accidental erasure of data caused by electrical or magnetic injury, or operator or programmer error. In order to be covered, the cause of the electrical damage must occur within your building or within 1,000 feet of it.

However, SIF will not cover any breakdown or malfunction loss caused by any change in the electrical power supply, such as interruption, power surge or brown-out, if the change originates more than 1,000 feet from the building containing your computer equipment, unless this agreement is amended in writing by us. SIF will consider providing breakdown coverage beyond 1,000 feet for an additional premium if you have implemented the proper controls.

EXCLUSIONS – LOSSES SIF WILL NOT COVER

Dishonesty

SIF will not cover any loss caused by any fraudulent, dishonest or criminal action committed by you or by a partner, director, officer, trustee, agent or employee of yours. Nor will SIF cover dishonest acts of anyone entrusted with covered property. But this exclusion will not apply to acts of destruction other than theft by an employee of yours.

Wear – Tear – Deterioration

SIF will not cover loss caused by:

- A. Wear and tear; or
- B. Gradual deterioration.

War and Government Seizure

- A. War (declared or undeclared);
- B. Warlike action by a military force, including anything done to hinder or defend against an actual or expected attack by any government, sovereign or other authority using military personnel or other agents;
- C. Invasion or insurrection;
- D. Rebellion, revolution or civil war;
- E. Seizure of power, or

Endorsement #9

- F. Anything done to hinder or defend against these actions.

SIF will not cover seizure or destruction of your property under quarantine of custom's regulations, or confiscation by any government or public authority, nor will SIF cover illegal transportation or trade.

Nuclear Activity

SIF will not cover loss caused directly or indirectly by nuclear reaction, nuclear radiation, or radio active contamination. Such loss is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. However, if loss or damage by fire results, SIF will pay for that resulting damage, if it would otherwise be covered under this agreement.

Design Errors or Faulty Materials

SIF will not cover loss caused by errors in design or faulty materials. However, SIF will cover loss to your insured equipment, data or media by a covered cause of loss which results from errors in design or use of faulty material in the development, manufacture or installation of that equipment, data or media.

For example: *SIF will not pay to replace a defective part supplied by the manufacturer. However, SIF will pay for other damage that results from use of that defective part.* The special breakdown deductible applies to these covered losses.

Damage During Service or Repair

SIF will not cover loss to equipment, data or media which results while they are being worked on, repaired or serviced. SIF will cover loss which results from that work, repair or service.

For example: *SIF will not pay to replace a disk drive which is damaged while being serviced. However, SIF will pay the other damage that results from use of that damaged part.* The special breakdown deductible applies to these covered losses.

Delay – Loss of Market

SIF will not cover any loss caused by delay or loss of market.

Programming Errors

SIF will not cover any extra expense or business income loss caused by programming errors or incorrectly instructing the machine.

This exclusion does not apply to loss caused by acts of computer hackers, computer viruses, trojan horses, worms, logic bombs or other malicious software.

Ordinances, Regulations or Laws

SIF will not cover loss caused directly or indirectly by the enforcement of any ordinance, regulation or law governing:

- A. The use, construction, repair or demolition of any property;
- B. The prevention, control, clean up or restoration of pollution damage; or
- C. The presence of hazardous substances.

This includes removal of debris. Such loss is excluded regardless of any other cause or event that contributes concurrently or in any sequence to the loss. But this exclusion will not apply to property destroyed by a civil authority in order to stop the actual spread of fire, such as establishing a fire break.

Strikes

SIF will not cover any increase in loss due to delay caused by strikers or anyone else at the site of your damaged business who interfere with your efforts to fix the damage or resume your normal operations.

However, SIF will cover an increase in business income loss when a strike on another person's premises prevents you from resuming business.

For example: you have ordered material to repair your building after it has been damaged by a fire. You can not get the material because there is a strike at the manufacturer's plant. This prevents you from resuming business and increases your loss. SIF will cover this increase.

Cancellation of Contracts

SIF will not cover any increase in loss that is caused by the suspension, lapse or cancellation of any lease, license, contract or order.

Loss of Documents

SIF will not cover any increase in loss that is caused by the suspension, lapse or cancellation of any lease, license, contract or order.

Disappearance – Inventory Loss

SIF will not cover loss of property that just disappears or that you find missing when you take inventory.

RULES FOR LOSS ADJUSTMENT COMPUTER, DATA AND MEDIA

When a loss occurs, SIF will consider the following factors in determining what we will pay:

- A.** Deductible.
- B.** Other Insurance.

We may take over any of the damaged or destroyed property at its agreed or appraised value. Or we can choose to repair, rebuild or replace the property ourselves provided we give you notice within 30 days after we receive your proof of loss. But you agree that you will not merely abandon this property to us.

Computer Equipment is Insured for Replacement Cost

SIF will pay the cost of repairing or replacing the damaged property without deduction for depreciation.

However, SIF will not pay more than the smallest of the following:

- A.** The limit of coverage that applies to the computer.
- B.** The amount you actually spend in repairing the damage, or the amount it would cost to replace the damaged property at the time of the loss with new property of equal performance, capacity or function.
- C.** If replacement with new property of equal performance, capacity or function is not possible, its replacement by property having the nearest higher performance, capacity or function to the property lost, destroyed or damaged.

What SIF Will Pay for Data and Media Losses:

Data. SIF will pay the actual cost of reproducing the data, up to the limit of coverage that applies, provided you actually replace or reproduce it. This includes the additional expense to reproduce data under adverse circumstances if it is necessary to continue your normal computer operations. However, we will not cover data which can not be replaced due to the lack of backup support documentation, source code or records. Data may be scheduled in the Coverage Summary for a specific value per item. If so, we will pay up to that amount for each item.

Normal computer operations means the operations that would have existed if no damage had occurred.

Media. SIF will pay the actual cost of either repairing or replacing the media with material or similar kind and quality, up to the limit of coverage that applies.

What SIF Will Pay for Extra Expense Losses:

SIF will pay your necessary extra expenses up to the limit of coverage and time limit that applies. However, SIF will not pay more than the actual extra expense you incur.

SIF will pay for these necessary extra expenses from the date of the damage for as long as it should reasonably take to repair or replace damaged computer equipment, data, media or the building housing your computer operations or other property in the building.

If you secure property to use temporarily until you resume your normal operations, SIF will subtract its remaining value when we figure the total amount of your loss.

You agree to resume your normal operations as soon as possible.

What SIF Will Pay for Business Income Losses:

What we will pay for a covered loss depends on the business income deductible, the limit shown on the Coverage Summary for Business Income loss and whether your computer operations are totally or partially suspended.

SIF will deduct the amount of the Business Income deductible from our payment. If your deductible is a length of time, SIF will consider your business interruption loss to begin after the length of time in business days or hours has elapsed.

Total Suspension. If the property damage causes a complete suspension of your computer operations, SIF will pay a fixed amount for each 24-hour day when you would have normally conducted business. This is the amount shown on the Coverage Summary for each working day. SIF will cover your loss for as long as it should reasonably take to repair or replace the damaged property, but we will not pay more than the total limit shown on the Coverage Summary.

However, when it is possible for you to resume some operations and the suspension becomes only partial, SIF will pay the remaining interruption as explained in the next section.

Partial Suspension. If the property damage causes a partial suspension of your computer operation, SIF will pay up to a percentage of your limit for each working day at the covered location. This percentage will be equal to the value of your lost income divided by your normal income. By normal income we mean what your income would have been had no loss occurred. For example: *fire damage at a covered location causes you to suspend some of your operations. Because of the suspension you lose \$50,000 in income. Normally, for the same period your income would have been \$300,000. Your limit for each working day is \$6,000.*

*(lost income/normal income) * working day limit = what SIF will pay per working day*

Endorsement #9

$$\$50,000 = 1/6 \times \$6,000 = \$1,000$$

\$300,000

SIF will cover your loss for as long as it should reasonably take to repair or replace the damaged property. However, SIF will not pay more than the limit of coverage that applies.

Reducing Your Loss. If you can reduce your business income loss by resuming operations at the affected location or by making use of other property at other locations, you must do so.

SIF will pay any expenses you have that are necessary to reduce your loss (except expenses for putting out a fire). But SIF will not pay those expenses that exceed the amount by which they reduce the loss.

Deductibles

Your deductible(s) are shown in Declarations Page 2 of 2. You will first pay up to this amount for all losses caused by any one event covered under this agreement except for Breakdown Coverage or Business Income. SIF will pay anything over this amount up to the applicable limits of your coverage.

Special Breakdown Deductible

A special deductible of \$5,000 is shown for breakdown coverage in Declarations Page 2 of 2. This deductible amount applies to losses which result from mechanical or electrical breakdowns as explained in the Breakdown Coverage section. It also applies to losses resulting from errors in design, use of faulty materials or coverage under the Damage During Service or Repair Exclusion. This deductible does not apply to losses caused by fire, lightning or explosion.

Special Burglary Deductible

A special deductible of \$1,000 is shown for burglary in Declarations Page 2 of 2. This deductible applies to losses by burglary but only if the building where the loss occurs is locked at the time of loss and there is physical evidence of forced entry on the exterior of the building.

Special Business Income Deductible

SIF also shows a special deductible for business income if you have purchased this coverage in Declarations Page 1 of 2. This deductible applies to losses which result from an interruption of business, and may be either a dollar amount or a time limit. The time limit is shown in business days or hours.

Business day means a day, ending at midnight, that you are normally open for business.

The first business day or hour begins at the time of loss. The day ends at midnight. However, if the loss occurs after the business has closed for the day, we will consider the first day or hour to be the next day or hour on which you would normally be open for business.

Other Loss Deductible(s)

All other loss deductibles are shown on Declarations Page 2 of 2.

Other Insurance

Other insurance may be available to cover your loss. If so, what SIF will pay depends on the type of other insurance and the property covered. In any case, we will subtract the amount of the deductible from our payment and SIF will not pay more than the limit of coverage that applies. This is how it works:

Other Computer Insurance

If other computer insurance covers a loss to equipment, data or media and the loss is also covered under this agreement, this agreement is excess insurance. This means SIF will pay only after the other data processing insurance is exhausted. But if the other insurance also pays only as excess, SIF will share the loss with them.

Other Property Insurance

If insurance other than data processing insurance covers a loss to equipment, data or media and the loss is also covered under this agreement, this agreement is primary insurance. This means SIF will pay your covered loss up to the limit of coverage that applies. Any loss over that limit will be the responsibility of the other insurance.

Other Extra Expense or Business Income Insurance

If any other insurance covers an extra expense or business income loss that is covered under this agreement, this agreement is excess insurance. This means SIF will pay only after the other insurance is exhausted. If the other insurance also pays only as excess, SIF will share the loss with the other company.

OTHER RULES FOR THIS AGREEMENT

Insurance for Your Benefit

This insurance is for your benefit. No third party having temporary possession of your property, such as a transportation company, can benefit directly or indirectly from it.

Adjusting Losses

If there is a covered loss to your property, SIF will adjust the loss with you. If there is a covered loss to someone else's property, SIF will adjust the loss with you for the owner's account.

Report to Police

When either a loss or occurrence takes place, the named insured shall give notice to the proper police authority as whether this loss or occurrence is due to a violation of a law.

Who SIF Will Pay for Loss to Equipment

If the Coverage Summary identifies a person or organization to receive payments for loss to equipment, SIF will adjust the loss with you. However, payment will be made to you and the person or organization named, based on the financial interest each has in the covered property.

Preserving Your Rights

You must do all you can to preserve any rights you have to recover your loss from others. If you do anything to impair these rights, SIF will not pay for your loss. You must not enter into an agreement to waive subrogation. However, you can accept ordinary bills of lading from a shipper, even if they limit the carrier's liability for losses.

Expenses for Reducing Loss

When a covered loss occurs, you must do everything possible to protect the property from further damage. Keep a record of your expenses. SIF will pay our share of reasonable and necessary expenses incurred to reduce the loss or protect the covered property from further damage. SIF will figure our share and your share of these expenses in the same proportion as each of us will benefit from them.

Inspection of Property and Operations

SIF and any person or organization making inspections on the SIF's behalf shall be permitted but not obligated to inspect the named insured's property and operations at any time. Neither the right of the SIF and any person or organization to make such inspections nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of the named insured or others, to determine or warrant that such property or operations are safe or healthful, or are in compliance with any law, rule or regulation.

Repair or replacement of the damaged building, structure and contents must be completed within two (2) years of its date of loss. The destruction or damage will be adjusted on an actual cash value basis until repair or replacement is complete.

You will determine the value of the destroyed property at Replacement Cost at the time of loss or damage, except as provided below. Replacement Cost means the cost to replace with property of comparable material and quality and used for the same purpose, without deduction for depreciation.

The following are not subject to Replacement Cost valuation:

- 1) Manuscripts, works of art, antiques, or rare articles, including paintings, pictures, statuary, marbles, bronzes, porcelains, and bric-a-brac or any similar property of a fine arts nature.
- 2) Obsolete, vacant, and unoccupied property: Obsolete, vacant, and unoccupied property is property that has no functional or use value.

**BUSINESS INCOME COVERAGE FORM
(WITHOUT EXTRA EXPENSE)**

Various provisions in this policy restrict coverage. Read the entire endorsement carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words “you” and “your” refer to the Named Insured shown in the Endorsement. The words “we,” “us” and “our” refer to the SIF (State Insurance Fund) providing this insurance. Other words and phrases that appear in quotation marks have special meaning. Refer to SECTION G - DEFINITIONS.

A. COVERAGE

Coverage is provided as described below for one or more of the following options for which a Limit of Insurance is shown on the Property Schedule:

- (i) Business Income including “Rental Value.”
- (ii) Business Income other than “Rental Value.”
- (iii) “Rental Value.”

If option (i) above is selected, the term Business Income will include “Rental Value.” If option (iii) above is selected, the term Business Income will mean “Rental Value” only.

If Limits of Insurance are shown under more than one of the above options, the provisions of this Coverage Part apply separately to each.

We will pay for the actual loss of Business Income you sustain due to the necessary suspension of your “operations” during the “period of restoration.” The suspension must be caused by direct physical loss of or damage to property at the premises described on the Property Schedule, including personal property in the open (or in a vehicle) within 100 feet, caused by or resulting from any Covered Cause of Loss.

1. Business Income means the:

- a. Net Income (Net Profit or Loss before income taxes) that would have been earned or incurred; and
- b. continuing normal operating expenses incurred, including payroll.

2. Covered Causes of Loss See applicable Causes of Loss Form as shown on the Property Schedule.

3. Additional Coverages

- a. **Expenses to Reduce Loss.** We will pay any necessary expenses you incur, except the cost of extinguishing a fire, to reduce the amount of loss under this Coverage Form. We will pay for such expenses to the extent that they do not exceed the amount of loss that otherwise would have been payable under this Coverage Form.

The Additional Condition, Coinsurance, does not apply to this Additional Coverage.

b. Civil Authority. We will pay for the actual loss of Business Income you sustain caused by action of civil authority that prohibits access to the described premises due to direct physical loss of or damage to property, other than at the described premises, caused by or resulting from any Covered Cause of Loss. This coverage will apply for a period of up to two consecutive weeks from the date of that action.

c. Alterations and New Buildings. We will pay for the actual loss of Business Income you sustain due to direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss to:

- (1) new buildings or structures, whether complete or under construction;
- (2) alterations or additions to existing buildings or structures; and
- (3) machinery, equipment, supplies or building materials located on or within 100 feet of the described premises and
 - (a) used in the construction, alternations or additions; or
 - (b) incidental to the occupancy of new buildings.

If such direct physical loss or damage delays the start of “operations,” the “period of restoration” will begin on the date “operations” would have begun if the direct physical loss or damage had not occurred.

d. Extended Business Income. We will pay for the actual loss of Business Income you incur during the period that:

- (1) begins on the date property (except “finished stock”) is actually repaired, rebuilt or replaced and “operations” are resumed; and
- (2) ends on the earlier of:
 - (a) the date you could restore your “operations,” with reasonable speed, to the condition that would have existed if no direct physical loss or damage occurred; or
 - (b) 30 consecutive days after the date determined in (1) above.

Loss of Business Income must be caused by direct physical loss or damage at the described premises caused by or resulting from any Covered Cause of Loss.

Newly Acquired Locations

- a.** You may extend your Business Income Coverage to apply to property at any location you acquire other than fairs or exhibitions.

- c. Insurance under this Extension for each newly acquired location will end when any of the following first occurs:
- (1) this policy expires;
 - (2) 30 days expire after you acquire or begin to construct the property; or
 - (3) you report values to us.

We will charge you additional premium for values reported from the date you acquire the property.

This Extension is additional insurance. The Additional Condition, Coinsurance, does not apply to this Extension.

B. EXCLUSIONS

See applicable Causes of Loss Form as shown on the Property Schedule.

C. LIMITS OF INSURANCE

The most we will pay for loss in any one occurrence is the applicable Limit of Insurance shown on the Property Schedule.

The limit applicable to the Coverage Extension is in addition to the Limit of Insurance.

Payments under the following Additional Coverages will not increase the applicable Limit of Insurance:

1. Alterations and New Buildings;
2. Civil Authority;
3. Extended Business Income;
4. Expenses to Reduce Loss.

D. LOSS CONDITIONS

The following conditions apply in addition to the Common Policy Conditions and the Commercial Property Conditions.

1. Appraisal If we and you disagree on the amount of Net Income and operating expense or the amount of loss, either may make written demand for an appraisal of the loss. In this event, each party will select a competent and impartial appraiser.

The two appraisers will select an umpire. If they cannot agree, either may request that selection be made by a judge of a court having jurisdiction. The appraisers will state separately the amount of Net Income and operating expense or amount of loss. If they fail to agree, they will submit their differences to the umpire. A decision agreed to by any two will be binding. Each party will:

- a. pay its chosen appraiser; and
- b. bear the other expenses of the appraisal and umpire equally.

- d. take all reasonable steps to protect the Covered Property from further damage by a Covered Cause of Loss. If feasible, set the damaged property aside and in the best possible order for examination. Also keep a record of your expenses for emergency and temporary repairs for consideration in the settlement of the claim. This will not increase the Limit of Insurance;
- e. permit us to inspect the property and records proving the loss. Also permit us to take samples of damaged property for inspection, testing and analysis;
- f. if requested, permit us to question you under oath at such times as may be reasonably required about any matter relating to this insurance or your claim, including your books and records. In such event, your answers must be signed;
- g. send us a signed, sworn statement of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms;
- h. cooperate with us in the investigation or settlement of the claim;
- i. resume all or part of your "operations" as quickly as possible.

3. Limitation - Electronic Media And Records We will not pay for any loss of Business Income caused by direct physical loss of or damage to Electronic Media and Records after the longer of:

- a. 60 consecutive days from the date of direct physical loss or damage; or
- b. the period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

- (1) electronic data processing, recording or storage media such as films, tapes, discs, drums or cells;
- (2) data stored on such media; or
- (3) programming records used for electronic data processing or electronically controlled equipment.

Example No. 1: A Covered Cause of Loss damages a computer on June 1. It takes until September 1 to replace the computer, and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 – September 1 is not covered.

Example No. 2: A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1–September 29 (60 consecutive days). Loss during the period September 30–October 15 is not covered.

4. Loss Determination The amount of Business Income loss will be determined based on:

- a. the Net Income of the business before the direct physical loss or damage occurred;
- b. the likely Net Income of the business if no loss or damage occurred;
- c. the operating expenses, including payroll expenses, necessary to resume “operations” with the same quality of service that existed just before the direct physical loss or damage; and
- d. other relevant sources of information, including:
 - (1) your financial records and accounting procedures;
 - (2) bills, invoices and other vouchers; and
 - (3) deeds, liens or contracts.

5. Loss Payment We will pay for covered loss within 30 days after we receive the sworn statement of loss, if:

- a. you have complied with all of the terms of this Coverage part; and
- b. (1) we have reached agreement with you on the amount of loss; or
(2) an appraisal award has been made.

6. Resumption of Operations We will reduce the amount of your Business Income loss to the extent you can resume your “operations,” in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere.

E. OPTIONAL COVERAGES

If shown on the Property Schedule, the following Optional Coverages apply separately to each item.

1. Maximum Period of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income is the lesser of:
 - (1) the amount of loss sustained during the 120 days immediately following the direct physical loss or damage; or
 - (2) the Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the direct physical loss or damage is:

(1) the Limit of Insurance, multiplied by

(2) the fraction shown in the Declarations for this Optional Coverage.

Example:

When: The Limit of Insurance is \$120,000

The fraction shown on the Property Schedule for this Optional Coverage is 1/4

The most we will pay for loss in each period of 30 consecutive days is: $\$120,000 * 1/4 = \$30,000$

If, in this example, the actual amount of loss is:

Days 1–30 \$40,000

Days 31–60 20,000

Days 61–90 30,000

\$90,000

We will pay:

Days 1–30 \$30,000

Days 31–60 20,000

Days 61–90 30,000

\$80,000

The remaining \$10,000 is not covered.

3. Agreed Value

a. To activate this Optional Coverage:

(1) a Business Income Report/ Work Sheet must be made a part of this policy and must show financial data for your “operations:”

(a) during the 12 months prior to the date of the Work Sheet; and

(b) estimated for the 12 months immediately following the inception of this Optional Coverage;

(2) an Agreed Value must be shown on the Property Schedule or on the Work Sheet.

The Agreed Value should be at least equal to:

(a) the Coinsurance percentage shown on the Property Schedule; multiplied by

(b) the amount of Net Income and Operating Expenses for the following 12 months you report on the Work Sheet.

b. The Additional Condition, Coinsurance, is suspended until:

(1) 12 months after the effective date of this Optional Coverage; or

(2) the expiration date of this policy; whichever occurs first

c. We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:

- (1) within 12 months of the effective date of this Optional Coverage; or
- (2) when you request a change in your Business Income Limit of Insurance.

d. If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more than the amount of loss multiplied by:

- (1) the Business Income Limit of Insurance; divided by
- (2) the Agreed Value.

Example:

When: The Limit of Insurance is \$100,000

The Agreed Value is \$200,000

The amount of loss is \$80,000

Step 1: $\$10,000 / \$200,000 = .50$

Step 2: $.50 * \$80,000 = \$40,000$

We will pay \$40,000.

The remaining \$40,000 is not covered.

4. Extended Period of Indemnity Under paragraph A.3.d., Extended Business Income, the number “30” in subparagraph (2)(b) is replaced by the number shown on the Property Schedule for this Optional Coverage.

- 2) requires any insured or others to test for, monitor, clean up, remove, contain, treat, detoxify or neutralize, or in any way respond to, or assess the effects of “pollutants.”

The expiration date of this policy will not cut short the “period of restoration.”

4. “Pollutants” means any solid, liquid, gaseous or thermal irritant or contaminant, including smoke, vapor, soot, fumes, acids, alkalis, chemicals and waste. Waste includes materials to be recycled, reconditioned or reclaimed.

- f. if requested, permit us to question you under oath at such times as may be reasonably required about any matter relating to this insurance or your claim, including your books and records. In such event, your answers must be signed;
- g. send us a signed, sworn statement of loss containing the information we request to investigate the claim. You must do this within 60 days after our request. We will supply you with the necessary forms;
- h. cooperate with us in the investigation or settlement of the claim;

- b. the period, beginning with the date of direct physical loss or damage, necessary to repair, rebuild or replace, with reasonable speed and similar quality, other property at the described premises due to loss or damage caused by the same occurrence.

Electronic Media and Records are:

- (1) electronic data processing, recording or storage media such as films, tapes, discs, drums or cells;
- (2) data stored on such media; or
- (3) programming records used for electronic data processing or electronically controlled equipment.

Example No. 1:

A Covered Cause of Loss damages a computer on June 1. It takes until September 1 to replace the computer, and until October 1 to restore the data that was lost when the damage occurred. We will only pay for the Business Income loss sustained during the period June 1 – September 1. Loss during the period September 2 – October 1 is not covered.

Example No. 2:

A Covered Cause of Loss results in the loss of data processing programming records on August 1. The records are replaced on October 15. We will only pay for the Business Income loss sustained during the period August 1–September 29 (60 consecutive days). Loss during the period September 30–October 15 is not covered.

4. Loss Determination The amount of Business Income loss will be determined based on:

- a. the Net Income of the business before the direct physical loss or damage occurred;
- b. the likely Net Income of the business if no loss or damage occurred;
- c. the operating expenses, including payroll expenses, necessary to resume “operations” with the same quality of service that existed just before the direct physical loss or damage; and
- d. other relevant sources of information, including:
 - (1) your financial records and accounting procedures;
 - (2) bills, invoices and other vouchers; and

(2) an appraisal award has been made.

6. Resumption of Operations We will reduce the amount of your Business Income loss to the extent you can resume your “operations,” in whole or in part, by using damaged or undamaged property (including merchandise or stock) at the described premises or elsewhere. **E.**

E. OPTIONAL COVERAGES

If shown on the Property Schedule, the following Optional Coverages apply separately to each item.

1. Maximum Period of Indemnity

- a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.
- b. The most we will pay for loss of Business Income is the lesser of:
 - (1) the amount of loss sustained during the 120 days immediately following the direct physical loss or damage; or
 - (2) the Limit of Insurance shown in the Declarations.

2. Monthly Limit of Indemnity

a. The Additional Condition, Coinsurance, does not apply to this Coverage Form at the described premises to which this Optional Coverage applies.

b. The most we will pay for loss of Business Income in each period of 30 consecutive days after the direct physical loss or damage is:

(1) the Limit of Insurance, multiplied by

(2) the fraction shown in the Declarations for this Optional Coverage.

Example:

When: The Limit of Insurance is \$120,000

The fraction shown on the Property Schedule for this Optional Coverage is 1/4

The most we will pay for loss in each period of 30 consecutive days is: $\$120,000 * 1/4 = \$30,000$

If, in this example, the actual amount of loss is:

Days 1–30 \$40,000

Days 31–60 20,000

Days 61–90 30,000

\$90,000

We will pay:

Days 1–30 \$30,000

Days 31–60 20,000

Days 61–90 30,000

\$80,000

The remaining \$10,000 is not covered.

3. Agreed Value

a. To activate this Optional Coverage:

(1) a Business Income Report/ Work Sheet must be made a part of this policy and must show financial data for your “operations:”

(a) during the 12 months prior to the date of the Work Sheet; and

(b) estimated for the 12 months immediately following the inception of this Optional Coverage;

(2) an Agreed Value must be shown on the Property Schedule or on the Work Sheet.

The Agreed Value should be at least equal to:

(a) the Coinsurance percentage shown on the Property Schedule; multiplied by

(b) the amount of Net Income and Operating Expenses for the following 12 months you report on the Work Sheet.

- b.** The Additional Condition, Coinsurance, is suspended until:
- (1) 12 months after the effective date of this Optional Coverage; or
 - (2) the expiration date of this policy;
- whichever occurs first.
- c.** We will reinstate the Additional Condition, Coinsurance, automatically if you do not submit a new Work Sheet and Agreed Value:
- (1) within 12 months of the effective date of this Optional Coverage; or
 - (2) when you request a change in your Business Income Limit of Insurance.
- d.** If the Business Income Limit of Insurance is less than the Agreed Value, we will not pay more than the amount of loss multiplied by:
- (1) the Business Income Limit of Insurance; divided by
 - (2) the Agreed Value.

Example:

When: The Limit of Insurance is \$100,000

The Agreed Value is \$200,000

The amount of loss is \$80,000

Step 1: $\$10,000 / \$200,000 = .50$

Step 2: $.50 * \$80,000 = \$40,000$

We will pay \$40,000. The remaining \$40,000 is not covered.

4. Extended Period of Indemnity Under paragraph A.3.d., Extended Business Income, the number “30” in subparagraph (2)(b) is replaced by the number shown on the Property Schedule for this Optional Coverage.

(2) Buildings under construction or renovation are not considered vacant.

STATED VALUE COVERAGE (STA)

Buildings and structures that are covered for Stated Value will be indicated on the Property Schedule by the STA designation.

The limit of coverage for these items will be an agreed upon amount which will serve as the policy limit for that item. This limit will be reflected on the Schedule. Covered losses to items designated as Stated Value will be subject to a scheduled limit less any applicable deductibles.

The most the SIF will pay for loss or damage for covered property, in any one occurrence, for any one building and its contents, will be the least of the following:

- 1) the cost to repair the damaged property
- 2) the cost to replace the damaged property with property of comparable material, quality and use
- 3) the policy limit shown on the property schedule or, where applicable, Statement of Values on file with the State Insurance Fund.

It is further agreed that in the event of partial loss or damage to insured property, the SIF will withhold 25% of the Stated Value Limit or the Repair or Replacement cost, whichever is less, until repair or replacement of the damaged property is completed.

Endorsement #24

SALVAGE VALUE COVERAGE (SAL)

Buildings that are covered for salvage value will be indicated on the Property Schedule by the SAL designation.

The limit of coverage for these items will be calculated at 5% of the Replacement Cost Value (RCV). This limit will be reflected on the Schedule.

Partial losses will be adjusted at Actual Cash Value (ACV).

In no case will the amount paid exceed the limit of 5% of RCV as shown on the Schedule.

It is further provided that there will be no coverage for any loss or damage to the contents located in a building covered for salvage value.

Endorsement #26

ARCHITECTS AND OTHER PROFESSIONAL SERVICE FEES

As there is no coverage under the Standard Policy of the State Insurance Fund (the "Fund") for the fees for the services of architects, engineers, constructions managers and other similar providers, the Fund hereby agrees, in return for a premium paid to provide coverage as described below. No other payments for the described coverage are due under any other part of the policy.

Coverage under this endorsement is not an additional amount of insurance but will be included within the policy limit for the building being repaired or replaced.

1. Coverage for architects, design professionals and any other persons involved in the creation of plans, engineering specifications or other documents needed in planning and repair or replacement of a covered building will be covered under the following terms.

2. Coverage for persons hired to manage or oversee a building project or any portion thereof, whose services are not included within the services provided by the contractor in charge of the project will be covered as follows.
 - a. This coverage will be provided for building structures that equal or exceed \$100,000 in value and are covered for Stated Amount (STA) or Replacement Cost Value (RCV) coverage.
 - b. The amount of coverage provided will be a maximum of 7.5% of the actual covered cost to repair or replace the damaged building per scheduled location, as determined by the Fund, subject to a limit of \$500,000.
 - c. Any amount paid under this coverage part will be deducted from the Overhead figure allowed in the contractor's bid for repair or replacement.

In no event will the coverage for Parts 1 and 2 of this endorsement exceed a total of 7.5% of the actual cost to repair or replace the damaged building.

If a claim is made for this coverage, the involved architects and engineers must cooperate with the SIF's adjustment process. If the architect or engineer fails to provide all necessary documentation and work breakdowns necessary for the proper adjustment of the loss, the SIF will not be liable for any fees until such documentation is received.

**EDUCATION BUILDING GAP & GAP PLUS COVERAGE
ENDORSEMENT**

**ALABAMA DEPARTMENT OF EDUCATION (K-12) &
THE ALABAMA COMMUNITY COLLEGE SYSTEM**

In consideration of an additional premium charged to the named SIF program participants, it is agreed that the RCV and STA coverage is afforded for the designated buildings as listed on the Statement of Values Schedule on file with the State Insurance Fund (SIF). It is also agreed that all designated buildings & structures are to be insured at 100% of their replacement values and that these values must be agreed to by the SIF and the insuring entity/participant via a written Statement of Values.

What this endorsement covers for GAP & GAP Plus

GAP Coverage under this endorsement falls into two categories.

Construction Type Upgrade - This coverage allows you to insure a Covered Building so that, following a total loss, you may rebuild the structure with a construction type that is better than the one that it had when it was destroyed. The construction types that are eligible for this upgrade are ISO-1 (Frame), ISO-2 (Masonry) and ISO-3 (Prefab or Metal). These types are eligible for an upgrade to ISO-4 level construction.

Increased Square Footage Upgrade – Unless specified and purchased additionally, this coverage allows you to insure a building for a 10% increased amount of square footage. This upgrade can be purchased in 5% increase increments to a maximum of 25%.

Loss Trigger

This coverage is triggered when a Covered Building is destroyed by a covered peril, as defined by the SIF, to such an extent that it is a total loss. For purposes of this endorsement a building which is damaged so that the cost of repair, as determined by the Division of Risk Management, is 80% or more of the insured amount shall be considered a total loss.

Property Covered

Coverage only applies to Buildings designated on the Statement of Values Schedule as having upgrade coverage under this endorsement.

Basis of Loss Settlement

The most the SIF will pay for loss or damage in any one occurrence, for any Covered Building, will be the greater of the following:

The actual adjusted amount necessary to replace the Covered Building, less applicable deductible(s)

OR

Page 1 of 2

The policy limit shown on the Statement of Values on file with the SIF, less applicable deductible(s) where the Division of Risk Management and program adjuster will determine the replacement cost of the destroyed property at the time of loss based upon previous upgrades selected. Replacement cost means the cost to replace with property using materials and quality appropriate to the upgrade purchased and, if applicable, the increased square footage. The replacement cost calculation will assume construction of the building used for similar use and occupancy as the one destroyed.

Following a total loss, we will pay the Actual Cash Value (depreciated cost) of the destroyed building until the replacement has been completed. Replacement of the damaged building must be completed within two (2) years of its date of loss.

The following are not subject to coverage under this endorsement:

- 1) **Obsolete property:** Obsolete property is property that has no functional use or value and is obsolete.
- 2) **Unoccupied property:** Unoccupied property means the building contains contents that pertain to the occupancy of the building but the operations and activities usual to the occupancy of the building have been suspended. A building that is temporarily unoccupied due to seasonal usage, such as a school building, will not be considered unoccupied for purposes of this endorsement.
- 3) **Vacant Property:** Vacant Property means the building contains no contents that pertain to the operations or activities customary to the occupancy of the building.
- 4) **Properties not scheduled for GAP & GAP plus** where no premiums have been received.

Gap Plus coverage provides insurance for damages and expenses that are normally not covered by insurance such as new site preparation, underground wiring, plumbing, paving and landscaping. Building damages must exceed 80% of the insured building value as determined by SIF's adjusters, engineers and other experts. The maximum amount of coverage allowed for Gap Plus coverage is 10% of the destroyed building's scheduled and insured value.

General Conditions

All other terms and conditions of the policy to which this endorsement is attached remain unchanged.

University Flood Coverage Extension Endorsement

I. UNIVERSITIES AND LOCATIONS COVERED

The following universities and locations are solely covered under this policy extension:

- A) University of Alabama – all locations except any located in Mobile or Baldwin counties
- B) University of Alabama Birmingham – all locations except any located in Mobile or Baldwin counties
- C) Auburn University – all locations except any located in Mobile or Baldwin counties
- D) Auburn University Montgomery – all locations except any located in Mobile or Baldwin counties

II. PERILS INSURED AGAINST

This coverage extension insures against direct loss by Flood.

Flood, meaning a general and temporary condition of partial or complete inundation of normally dry land areas due to:

- A) The overflow of inland or tidal waters;
- B) The unusual or rapid accumulation or runoff of surface waters from any source; or
- C) Mudslides or mudflows which are caused by flooding. A mudslide or mudflow involves a river of liquid and flowing mud on the surface of normally dry land areas as when earth is carried by a current of water and deposited along the path of the current.

All flooding in a continuous or protracted event occurring within a 72 hour time frame will constitute a single flood occurrence.

III. OTHER PROVISIONS

The following exclusions and limitations apply to coverage under this policy extension:

- A) If you request and we provide an increase in the stated Limit of Insurance for Flood, the increase will not apply to loss or damage from any Flood that begins before or within 72 hours after your request was made.
If the Flood is due to the overflow of inland or tidal waters, then the Flood is considered to begin when the water first overflows its banks.
- B) We will not pay for loss or damage caused by or resulting from destabilization of land arising from the accumulation of water in subsurface land areas.
- C) Under this Coverage Part, land is not covered property, nor is the cost of excavations, grading, backfilling or filling. Therefore, coverage under this policy does not include the cost of restoring or remediating land due to the collapse or sinking of land caused by or resulting from Flood. However, coverage under this policy includes damage to the covered portions of the building and to covered personal property, caused by collapse or sinking of land along the shore of a body of water as the result of erosion or undermining caused by waves or currents of water which exceed the cyclical levels and cause Flood.

University Flood Coverage Extension Endorsement

- D)** We do not cover loss or damage by Flood to personal property in the open except to the extent that such coverage, if any, is specified in the Flood Coverage Schedule or in the Declarations.
- E)** Property Not Covered is amended and supplemented as follows with respect to Flood Coverage:
- (1)** Property Not Covered includes any building or other property that is not eligible for flood insurance pursuant to the provisions of the Coastal Barrier Resources Act, 16 U.S.C. 3501 et seq. and the Coastal Barrier Improvement Act of 1990, Pub. L. 101-591, 16 U.S.C. 3501 et seq.
 - (2)** Property Not Covered includes boat houses and open structures, and any property in or on the foregoing, if the structure is located on or over a body of water.
 - (3)** If bulkheads, pilings, piers, wharves, docks, or retaining walls that are not part of a building, have been removed from Property Not Covered and added as Covered Property by separate endorsement, this Flood Coverage Endorsement does not apply to such property.
 - (4)** The following are removed from Property Not Covered and are therefore Covered Property:
 - (a)** Foundations below the lowest basement floor or the subsurface of the ground; and
 - (b)** Underground pipes, flues and drains.
- F)** We will not pay for loss or damage caused by sewer back-up or overflow unless such back-up or overflow results from Flood and occurs within 72 hours after the flood recedes.

IV. ADDITIONAL COVERAGES AND COVERAGE EXTENSIONS

DEBRIS REMOVAL

- A)** We will pay your expense to remove debris of Covered Property and other debris that is on the described premises, when such debris is caused by or results from Flood. However, we will not pay to remove deposits of mud or earth from the grounds of the described premises.
- B)** We will also pay the expense to remove debris of Covered Property that has floated or been hurled off the described premises by Flood.
- C)** This coverage for Debris Removal, as set forth in E.1.a. and E.1.b. above, does not increase the applicable Limit of Insurance for Flood. Therefore, the most we will pay for the total of debris removal and loss or damage to Covered Property is the Limit of Insurance for Flood that applies to the Covered Property at the affected described premises covered under this coverage extension.

University Flood Coverage Extension Endorsement

NEWLY ACQUIRED AND CONSTRUCTED PROPERTY

With respect to Flood Coverage, the Coverage Extension for Newly Acquired or Constructed Property is amended by adding the following:

- A) With respect to Flood Coverage, this Coverage Extension does not apply to any building or structure that is not fully enclosed by walls and roof.
- B) With respect to a building or structure covered under this Coverage Extension, the amounts of coverage stated in the Coverage Extension do not apply to Flood Coverage. Instead, the most we will pay for all loss or damage to property covered under this Coverage Extension is 10% of the total of all Limits of Insurance for Flood Coverage as provided under this endorsement. Such coverage does not increase the Limit of Insurance for Flood.

FOUNDATIONS AND EXCAVATIONS

When this coverage extension covers Buildings, it shall also cover direct loss to the following items by the peril of Flood:

- A) Cost of excavations, grading or filling;
- B) Foundations of buildings, machinery, boilers or engines which foundations are below the undersurface of the lowest basement floor, or where there is no basement, below the surface of the around;
- C) Pilings, piers, pipes, flues and drains which are underground;
- D) Pilings which are below the low water mark.

V. LIMIT PROVISIONS

In consideration of the premium charged, it is hereby agreed that coverage is afforded due to loss from peril of flood, subject and limited to the following terms and conditions:

- B) The maximum amount for loss due to flood in any one occurrence or in any one policy year is \$10,000,000 (ten million dollars) – applicable to all Zone A locations whether identified or not, subject to the provisions contained in paragraphs two and four of this policy. This Zone A sublimit is part of and not in addition to the maximum \$150,000,000 total limit.
- C) In the event of a flood and resultant insured loss, all payable claims shall be paid as per special loss payable provisions stipulated below, if the total claims payable do not exceed one hundred million dollars (except ten million dollars for Zone A) and provided no previous claims during the same policy year had been paid due to a previous flood in the same policy year.

University Flood Coverage Extension Endorsement

If, however, the claims payable for loss due to an flood either exceed the maximum of \$150,000,000, except \$10,000,000 for Zone A locations, aggregate annual coverage or exceed whatever aggregate is remaining after a previous flood or previous floods in the same policy year, then, in such event, the claims will be paid on a prorated basis, as per special loss payable provisions stipulated below.

- D)** It is further understood and agreed that flood and/or storm surge as a part of a Named Storm is to be considered a Named Storm and not flood.

VI. DEDUCTIBLE PROVISIONS

It is understood and agreed that the deductible applicable in the event of a flood and the resultant damage shall be \$3,500,000 per occurrence, applied to each covered loss.

VII. SPECIAL LOSS PAYABLE PROVISIONS

Payment for any insured loss shall be paid directly to the underlying covered state entity at the direction of the above Named Insured (State of Alabama; Department of Finance; Division of Risk management). The above Named Insured shall have the right to initiate, negotiate and settle any claims at their discretion.

VII. COMPANIES PARTICIPATION
